### Workshop Facilitator Profile

**Ir. Lee Giok Seng**  
Executive Director  
Asia Pacific Natural Gas  
Vehicles Association  
(ANGVA)

Lee Giok Seng is a professional mechanical engineer registered with the Board of Engineers, Malaysia and a member of the American Society of Mechanical Engineers (ASME) and Institution of Engineers, Malaysia (IEM). He started work with PETRONAS in August 1984. He was involved in the development, promotion and operation of NGV when NGV was commercially introduced in Malaysia by PETRONAS in 1991. He started as the engineer in-charge of vehicle conversions and was involved in the development of Malaysian Standard for vehicle conversions and vehicle installer training and certification programme. In 1995, he was appointed as the Technical Services Manager of PETRONAS NGV Sdn. Bhd. and in 2003 he was appointed as the Senior Manager for the Operations & Services Department, PETRONAS NGV Sdn Bhd. In August 2007, he was seconded from PETRONAS to the Asia Pacific Natural Gas Vehicles Association (ANGVA) as an Executive Director, promoting the development and promotion of NGV markets in the Asia Pacific region. Prior to his retirement from PETRONAS in November 2013, he was seconded to the Malaysian Gas Association as a technical manager in January 2013. Currently he is contracted as an Executive Director by ANGVA since 2014.
